Rainbow Colours® Canvases were created for the Professional Photographer who demands a product capable of producing extremely precise images with very high resolution. These Fine Art Canvases have a bright white finish, are OBA and 100% acid free, with a neutral pH coating, and will not yellow, crack or curl, and are the best choice available for a variety of applications, including portraiture, fine art photography, and demanding art giclée productions. They have outstanding water resistance and stretch and mount with ease.

'Rainbow Colours®' Clear Art-UV Protection Varnish

CA-SG-5lt	'Rainbow Colours®' Clear Art-UV Protection Varnish - semi-gloss	5 lt	\$169.00	

The Rainbow Colours® Clear Art-UV Protection Varnish is a water based semi-gloss canvas giclée varnish, made in New Zealand & especially developed for the harsh New Zealand UV conditions. It preserves and enhances fine art prints and it is a flexible, non-cracking and non-yellowing coating which improves the resistance to ultraviolet light and protects the image from dirt and abrasion. Prints can be wiped with a damp cloth and a little mild detergent.
